A CANON COMPANY

OCÉ ARIZONA SERIES UV FLATBED PRINTERS

- Best-selling UV flatbed printer family in the world
- Océ VariaDot® imaging technology for near-photographic image quality
- True flatbed architecture with Roll Media Option
- Print on irregularly shaped objects, non-square media or heavy substrates
- White Ink and Varnish available on select models
- Unparalleled opportunity to innovate your business

Worldwide recognition for quality and innovation

The Océ Arizona® Series of UV flatbed printers has been winning awards since the introduction of the original Océ Arizona 250 GT printer in September 2006. The awards validate the quality and innovation built into every Océ Arizona series printer, now the most popular UV flatbed printer family in history.
