

OCÉ PSWHTFLM

PET White Film Aqueous Inkjet Media

Product Description

Océ PSWHTFLM is a 5 mil high gloss, fast dry, universally compatible polyester (PET) film. It is a premium alternative to photopaper with its wide color gamut, low dot gain, and high gloss finish. With its no-tear, lay-flat performance, it is designed for portable display applications where a thinner base is desired yet light blocking is not required. It optimizes natural skin tones, expanded shadow detail, smooth gradient blends, and neutral grays. Universal compatibility on Epson®, Canon®, HP® and Océ® photo and proofing printers.
