

Lustré Board®

C1S and C2S poster board

Lustré Board® is designed to provide exceptional stiffness and lay flat while providing optimum background for the high color fidelity printing demands required for POP and in-store signage applications.

Lustré Board's high ink hold out, unparalleled product uniformity and exceptional coating consistency ensures finished product quality that you can count on whether using a C1S (Coated One Side) or Duo C2S (Coated Two Side) product.

Available in rolls and sheets, ranging from 12pt (215 gsm) to 24 pt (395 gsm).

Printability: Flatbed UV, Latex, Offset, Screen

From run to run, and lot to lot, Lustré Board® is your key to high productivity and consistent customer satisfaction.

Choose your GREEN resource from a leading solutions provider.

APPLICATIONS

- Bus/train cards
- Indoor POP
- Wing cards
- Posters
- End caps
- Aisle markers
- Framed signs
- Display toppers
