OCÉ ARIZONA PRINTERS

Software Compatibility Chart

PRODUCT LABEL	DESCRIPTION	OCÉ ARIZONA SERIES MODELS					
		SOFTWARE	1200	1300	2200	6100	Premia
Océ PrintSight	Océ PrintSight takes the guess work out of knowing important details like if you charged enough on a particular print job, how many square feet you've printed, how long a print took to print, what print mode was used, how much ink you've used by job per device, per day or per job and much more!	Océ PrintSight	X	X	X	X	X
Océ TOUCHSTONE	Océ Touchstone Dimensional Printing Software allows print providers to easily produce textured, dimensional printing with virtually no additional effort compared to their existing workflow.	Océ Touchstone	X	X	X		
Océ Arizona Xpert	Océ Arizona Xpert software allows print providers to quickly set up multi-layer, high margin jobs such as day/night back-lits, double sided/blockout window clings, second surface prints, etc and save them as a recipe to be used for similar jobs, saving time and money.	Océ Arizona Xpert	X	X	X	X	
COLOR LOGIC	Color-Logic is the premiere commercially available color communication system for metallic substrates which takes into account the substrate, inks, press curves and coatings. The Color-Logic system provides a color communication system for 250 additional metallic colors, which in turn can produce eye-catching decorative effects.	Color-Logic™	Only if it uses White Ink				

SMART CHANGE STARTS HERE.

WHY CANON SOLUTIONS AMERICA.

Canon Solutions America recommends forward-thinking strategies to help achieve the highest levels of information management efficiency for your unique business needs. Using superior technology and innovative services, we then design, implement, and track solutions that help improve information flow throughout your organization while considering the environment, helping to result in greater productivity and reduced costs.

As a company that is dedicated to your needs, we support our solutions with highly skilled professionals and advanced diagnostic systems to maintain peak performance. And with ongoing consultation, we can further your document management capabilities to help ensure the highest level of satisfaction and productivity.
