WELCOME TO THE ARIZONA FAMILY

Reference Guide For Your Arizona Printer

Your recent purchase has a world of imaging possibilities. Here is a handy reference guide to help introduce our product line to you. It includes toll-free numbers to order supplies, a list of the type of supplies that fit your Canon Arizona printer, and the names of your nearest LFS Sales Representatives. LFS Display Media is ideal for many UV, latex and eco-solvent printers. The range of media includes products for indoor and outdoor signage, backlit, window cling, floor and wall graphics, and scrim vinyl for banners.

LFS Display Graphics Media includes a variety of media, that covers photo paper, poster paper, banner vinyl, window perforated film, mesh banner, wall coverings, backlit and more. We offer quality products and competitive pricing to help you build your applications and to meet a wide variety of customer demands!

SMART CHANGE STARTS HERE.

LFS DISPLAY GRAPHICS ROLL MEDIA

Papers

From posters to photography, LFS Display Graphics Media offers a selection of media that gives you excellent image quality and choice of print technology depending on the job. Being able to create output based on customer specifications is a must. Indoor or outdoor? Framed or unframed? Short or long term? Can I have a water resistant paper print? The selection of the paper media gives you these choices.

ITEM	DESCRIPTION
UNPHOTG Glossy Photopaper	Resin coated photo paper offering excellent image quality comparable to traditional photo papers in glossy surfaces. UVG UV L E
UNPHOTS Satin Photopaper	Resin coated photo paper offering excellent image quality comparable to traditional photo papers in satin surfaces. UVG UV L E
HPSTRSOL Outdoor Poster Paper	A 212 gsm heavy weight latex saturated indoor/outdoor poster paper designed to maintain cohesive paper fiber strength when wet and when used with wallpaper paste. UVG UV L
IMAGEMAX Signage	A bright white poster paper from Neenah. Heavier weights are great for Styrene replacement. 100% Paper product. Fully recyclable. Available in sheets .10.20.30.40 pt Excellent print quality. UV L
ENDURA 10 Mil Poster Paper	A 10 mil Neehah bright white, cellulosebased poster printing paper for indoor and short-term outdoor use. Comes in satin or matte finish. UVG UV L
VACUBOND 17LB Bond Paper	A 17lb bond paper for masking and templates. VACUBOND is designed to satisfy the Arizona flatbed vacuum system. It allows the bed to build enough pressure yet is porous enough to draw the vacuum through to hold pre-cut pieces in place. UV
